Big Question of the Week

“What habit from lockdown life will you continue when we get back to something like normal?”

Kids Visit the kids!

Monday was a great day at the 'Critical Worker's Club' as Mr Fairbairn brought three goat kids to visit. We had the chance to feed them and then they explored the playground. We really tired them out—one even fell asleep on Neave's lap. Boris, Priti and Dominic were very well behaved though they did leave a few little 'gifts' for Mr Newstead to tidy up later!! Thank you for continuing your hard work at home. I think the fact that the sun went in has made this week a little tougher but at least the rain will help our flowers to grow! If you are struggling or do need some help with home learning, please don't hesitate to get in touch either with your child's class teacher via Seesaw or with me. You can now get me directly on a new email address—headteacher@bures.suffolk.sch.uk. I have sometimes been a bit slow in responding to messages from the primary@ address as the admin staff use this one and they are obviously not working fulltime at the moment but messages to this new address will come directly to my phone so I can respond much more quickly. I'm happy to deal with anything but can't magic up flour or toilet rolls! I am aware that there is lots of speculation about when and how schools may be opening—I will let you know as soon as we hear anything official but for now we are just taking one day at a time and will be here if you need us!

Domino Addition

Use the **T** to type the matching addition sentence.

ten	8	11	3
8	8	7	6
7	11	5	17

Well done to Scarlet in Y1. Fabulous domino addition—Dominoes are a great way to practice counting as well as a good game to play to fill the days!

Elizabeth in Y3 has been using her artistic talents to create this fantastic bug!

Explore, Believe, Shine

'The Adventure Awaits...'

Well done Molly (Y5). What a great diagram—we could use this to teach everyone about the features of a river. Make sure you save it!

Connor in Y2 has been doing lots of reading. He has learnt lots about Scotland from this book. Scotland is one of the first places I want to visit once the lockdown is over Connor!

I read 'Mr Men in Scotland' and learnt about The Forth Bridge, The Highland Games, Edinburgh Castle, Tartan, The Lochness Monster, Haggis and Bagpipes. I'm going to explore some of these in more detail soon!

Mr Allen asked me to give a 'Shout Out' to Henry in Y5 who has finished reading one Harry Potter and is about to start on his next one. Keep that reading going Henry!

Friday 1 May 2020

1. He knew that he was having a nightmare because the police were taking him back at first while he kept the cases open for a while as a brain card split.

2. Con. didn't want to build a raft because the thought of them coming on a boat in a river they would be flooded and she would be stuck in a narrow river.

3. That is part of the raft because they finally worked as a team.

4. Con. didn't want to join in because...

5. I think she looks different because although it looks like she had a job before she had seen all these and she was new she still seems all observing.

6. Max. didn't want to go back to the clearing because it was...

my english work

I was a bit stuck on questions 4 and 6

Write a number in each box so there are four numbers in order.

a) 42, 45, 47, 50

b) 61, 69, 69, 73

c) 57, 60, 62, 64

d) 82, 95, 85, 91

e) 66, 68, 70, 71

f) 76, 70, 80, 83

g) 94, 95, 97, 98

h) 88, 90, 91, 92

i) 57, 54, 60, 61

II Write these sets in order, starting with the smallest amount.

a) 58p, 85p, 39p, 61p, 42p → 39p, 42p, 58p, 61p, 85p

b) 73kg, 69kg, 37kg, 39kg, 76kg → 37kg, 39kg, 69kg, 73kg, 76kg

c) 23cm, 32cm, 80cm, 38cm, 28cm → 23cm, 28cm, 32cm, 38cm, 80cm

d) £53, £62, £29, £65, £35 → £29, £35, £53, £62, £65

Chloe in Y4 has been doing lots of maths—some brilliant ordering of numbers and amounts here—Well done!

Annabelle in Y6 has been answering some tricky comprehension questions. I love that she stuck at it though it was obviously tricky!

Martha in Reception has been making 'Bath Bombs' - wow! A long soak in the bath is a great lockdown activity! Miss Moore and Mrs Fairley have asked me to thank you and Evelyn for their fab friendship bracelets too!

Hugo from the Nursery has been busy ordering numbers. You can see from that fantastic smile just how pleased he is with himself and rightly so! Great work Hugo

Critical Workers' Club (CWC) News

More exciting adventures at this week's 'Critical Worker's Club'. As I mentioned earlier one highlight was a visit from the goat kids but we have also enjoyed some great geography work with the BeeBots, a day exploring life cycles, a sporting challenge linked to the marathon and a chance to be history detectives. We are six weeks into Joe Wicks too and I am very proud to say I have done every one—even when I had a few days off over Easter. Not noticed a six pack yet but can almost manage it without having to lie down in a darkened room for several hours afterwards now!!

How cute! The 'kids' and the kids!
