

Bures CEVC Primary School – Curriculum Overview

<p>Our Vision Is at the heart of the decisions we make for our children and the way we conduct ourselves.</p>	<p>Together we experience every day as an exciting adventure that never stops. We treasure time close to home but are ready to expand our horizons, exploring beliefs, visiting different lands, and celebrating cultures. We discover characters who have made a difference, both great and small. Side by side we wrestle with mathematical monsters and scientific beasts. We create the unimagined – works of pure beauty. We savour the victory when we accomplish each quest before moving on to the next. We learn to fight the fear of failure and joyfully celebrate every success. At Bures, we dare to dream big – embracing the adventure within.</p>									
<p>Our Christian Values Underpin the vision of our school as an inclusive and caring learning community</p>	Courage	Forgiveness	Compassion	Responsibility	Friendship	Tolerance

<p>Our Children There are two particular areas we have identified in which we feel Bures children would benefit from extra support – these too are threaded throughout the curriculum</p>	<p>Diversity Recognising the limited diversity within our school community, we actively seek out learning experiences that challenge stereotypes and build tolerance and respect. We implement the ‘No Outsiders’ Programme which teaches children to understand and respect the Equality Act.</p>					<p>Growth Mindset In times of increasing globalisation and a rapidly changing world, we offer opportunities for children to develop ‘Growth Mindset’ attitudes by presenting them with challenges and encouraging risk-taking within a safe and caring environment – our Forest Schools provision plays a key role here.</p>
