

Bures CEVC Primary School – Curriculum Overview

Our Vision Established in discussion with all stakeholders – is at the heart of the decisions we make for our children and the way we conduct ourselves	Explore Through exciting and adventurous learning experiences within a healthy, safe and dynamic environment we help everyone in our community to realise their limitless potential.			Believe With a strong Christian ethos, we promote belief and faith in ourselves and others, courageously sharing, caring, and forgiving whilst celebrating both our similarities and differences.			Shine We challenge pupils to become life-long learners who have the confidence, self-esteem, resilience and desire to achieve excellence in all they do.			
Our Christian Values Underpin the vision of our school as an inclusive and caring learning community	Courage	Forgiveness	Compassion	Responsibility	Friendship	Tolerance				
British Values Woven throughout the curriculum and embedded within school policies and practices.	The Rule of Law		Democracy		Individual Liberty		Mutual Respect		Tolerance	
Curriculum Through our carefully planned curriculum we aim to enable children to develop a deep and progressive understanding within each subject. Links between subjects are exploited where meaningful	English Success for All			Mathematics Mastery			Science			
	Art and Design	Computing	Design and Technology	Geography	History	Languages	Music	Physical Education	Personal Social Health and Economic	Religious Education
Our Children There are two particular areas we have identified in which we feel Bures children would benefit from extra support – these too are threaded throughout the curriculum	Diversity Recognising the limited diversity within our school community, we actively seek out learning experiences that challenge stereotypes and build tolerance and respect.					Growth Mindset In times of increasing globalisation and a rapidly changing world, we offer opportunities for children to develop ‘Growth Mindset’ attitudes by presenting them with challenges and encouraging risk-taking within a safe and caring environment – our Forest Schools provision plays a key role here.
