Public Sector Equality Duty – Summer 2019

Schools are required to publish information which is updated annually showing how they comply with the new Equality Duty and to set at least one equality objective every 4 years. The need to advance equality of opportunity is defined in the Equality Act 2010 as having due regard to the need to:

1. Remove or minimise disadvantages.
2. Take steps to meet different needs.
3. Encourage participation when it is disproportionately low.

The Public Sector Equality Duty extends to the following protected characteristics:

Race
Disability
Sex
Age (as an employer, not regarding pupils)
Religion/Belief
Sexual Orientation
Pregnancy and Maternity
Gender Reassignment

We have identified areas of our practice that may need improvement.

Our Objectives are:

1. To ensure that attendance for all pupil groups is at least equal to the National level.
2. To monitor and analyse pupil achievement by race, gender and special educational need or disability and act on any trends or patterns in the data that require additional support for pupils.
3. To raise levels of attainment and progress in core subjects for vulnerable learners i.e. Pupils eligible for the Pupil Premium Grant, (FSM, LAC, Post LAC) and EAL and SEND pupils to achieve outcomes in line with peers who have similar starting points
4. To raise levels of parental and pupil engagement in learning and school life, across all activities to ensure equity and fairness in access and engagement.

Public Sector Equality Duty Statement

Our School is committed to equality both as an employer and an education provider:

- We do our best to ensure that everyone is treated fairly and with respect;
- We actively ensure that our School is a safe, secure and stimulating place for everyone;
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them all exactly the same;
- We recognise that for some pupils extra support is needed to help them to achieve and be successful;
- We ensure that people from different groups are consulted and involved in our decisions, for example through talking to pupils and parents/carers, staff and through the School Council.
- We actively aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age; any disability they may have; their ethnicity, national origin; their gender; their gender identity or reassignment; their marital or civil partnership status; being pregnant or having recently had a baby; their religion or beliefs; their sexual identity and orientation.

General Duty

We welcome our general duty under the Equality Act 2010 to eliminate discrimination, to advance equality of opportunity and to foster good relations, and our specific duties to publish information every year about our school population; to explain how we have due regard for equality; and to publish equality objectives which show how we plan to tackle particular inequalities, and reduce or remove them.

We welcome the emphasis in the OFSTED framework on the importance of narrowing gaps in achievement which could affect:

- Pupils from certain cultural/ethnic backgrounds and the Traveller Community;
- Pupils who receive Pupil Premium;
- Pupils who are disabled;
- Pupils who have special educational needs;
- Differences in gender achievement.

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it;
- Foster good relations between people who share a protected characteristic and people who do not share it;
- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010.

1839 + Bures School

At Bures Primary School we are strongly committed to ensuring that members of the school community do not become victims of unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010. We have a series of policies and procedures in place to support us with this. These include:

- Behaviour Management and Anti-Bullying Policy
- Child Protection and Safeguarding Policy
- Equal Opportunities Policy
- SEND Policy

Some of these policies are available on the School website. All policies are available from the School Office on request.

The termly Headteacher's Report to the Full Governing Body includes reports as to the number of bullying or racist incidents that have been reported. There is also an update on the number of exclusions that may have occurred and the number of children registered as having additional learning needs.

All staff are given copies of relevant policies as part of their induction. Policies are reviewed regularly and updated.

Equal Opportunities for All

At our School, careful analysis of performance/attainment data is used to identify different groups within our school community. We are able to make comparisons and identify any group that may be achieving less well than other groups. We build in strategies to address such issues and, when appropriate, these are included in the School Development and Improvement Plan. This Plan is reviewed annually and action plans developed accordingly. At our School, we monitor the impact of any strategies and interventions that we put in place to ensure that they are meeting the needs of our pupils.
