

**Wonderland Class - Week Beginning 8th June 2020**

 Home Learning Page: <http://www.bures.suffolk.sch.uk/home-learning/>
**English**

Daily Reading - Try to read at least 4x each week and record what you have read in your reading log.

English - Continue using the Talk for Writing unit booklet on 'The Cave of Requirement' you will write a newspaper report and an adventure story linked to the theme as well as comprehension and grammar exercises. The booklet is designed to last 3-4 weeks. Work through the booklet at your own pace.

**Maths**

The link to White Rose Maths daily online lessons with video tutorials (week 5) is here <https://whiterosemaths.com/homelearning/year-6/>

The worksheets for the week have been uploaded to the website page together with the answer sheets. The focus is fractions, decimals and percentages. Power Maths (which is affiliated with White Rose Maths) offers further practice and worksheets on BBC bitesize <https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-and-p7-lessons/1>

Keep practising your times tables on 'Timetables Rockstars'. You may like to use 'Hit the Button' to practise number bonds to ten, twenty and a hundred. Remember you can use playing cards or number cards to practise these too.

**Geography**

<https://www.thenational.academy/year-6/foundation/what-impact-are-humans-likely-to-have-on-life-in-the-future-year-6-wk6-3#slide-1>

Explore this lesson about the human impact on the planet. Can you think about how things have changed during the pandemic and how this may affect the way we behave in the future?

**History**

Our additional History unit is Crime and Punishment. I have already posted two activities on Seesaw so the next lesson and activity will be lesson 6 which focusses on **The Victorians**. There is a PPT for the children to read through and then an activity sheet to complete which has been uploaded to the website page.

If you are interested in **The Victorians**, what life was like and how they ruled Britain here is a video link to BBC Bitesize and Horrible Histories:

	<p><a href="https://www.bbc.co.uk/teach/class-clips-video/history-social-studies-ks2-ks3-gcse-victorian-prison-punishments-john-smith/z4x4qp3">https://www.bbc.co.uk/teach/class-clips-video/history-social-studies-ks2-ks3-gcse-victorian-prison-punishments-john-smith/z4x4qp3</a></p> <p><a href="https://www.youtube.com/watch?v=HVGaumifWkE&amp;safe=true">https://www.youtube.com/watch?v=HVGaumifWkE&amp;safe=true</a> Write up what you have discovered and post it on Seesaw for me to have a look at.</p>
<p>RE</p> <p>Work through the activities uploaded to the school website about Humanism and compare the beliefs with other religions. Are there any common values?</p>	<p><b>Art / DT / Music / PE / Computing / MFL</b></p> <p>Why not try out your art skills? <a href="https://www.youtube.com/watch?v=UL6QxeVIRrQ&amp;safe=true">https://www.youtube.com/watch?v=UL6QxeVIRrQ&amp;safe=true</a></p> <p>Why not sign up to Duolingo for free to brush up on your French or try a new language? <a href="https://www.duolingo.com/register">https://www.duolingo.com/register</a></p> <p>Don't forget to do PE with Joe Wicks every day to keep fit!</p>
<p>Please feel free to mix and match these activities. At school we have found it best to cover the English and Maths in more formal sessions in the morning. The afternoon is then less structured and tends to be more practical and investigative. You are also welcome to ignore this suggested timetable and continue with the resources you have found most suit you and your child's situation. We would love to see any work you complete on Seesaw and will do all we can to comment on the work you upload. Please keep checking Seesaw for messages and as a method of contacting your child's teacher for support or just to celebrate!</p>
